**Celebrating Our Parish Community: A Heartfelt Thank You**

Dear everyone, I hope this message finds you well. This weekend, we celebrate the conclusion of National Volunteers' Week and the celebration of our first annual Parish Service Day. As we commence this annual journey to celebrate past, present, and future volunteer contributions within our parish, I want to express my deep gratitude to you, parishioners/brothers & sisters. Our parish community thrives because of your unwavering commitment, kindness, and selflessness.

**A Beating Heart.** Our large and diverse parish is not just a collection of people within physical places of worship; it is a living, breathing family. Each parishioner contributes to the heartbeat of our community. Whether someone serves as a volunteer, attends Mass faithfully, or simply offers a smile to a fellow parishioner, every person's presence matters. Our shared faith binds us together, and it is through our collective efforts that we are creating a vibrant parish that actively accompanies people encounter Jesus.

From the bottom of my heart, I want to thank you for:

**Your Service:** To our dedicated volunteers, thank you for your tireless work. You are the hands and feet of Christ, serving our community with love and compassion. Your contributions—whether in liturgical ministries, outreach programs, or behind-the-scenes tasks—make a significant impact.

**Your Presence:** To all parishioners, thank you for being part of our parish family. Your presence at Mass, your prayers, and your support uplift us all. You bring your unique gifts, talents, and stories, enriching our shared journey.

**Your Kindness:** Small acts of kindness ripple through our parish community. Whether it's a warm greeting, a helping hand, or a listening ear, your kindness fosters an atmosphere of love and acceptance.

**Your Faithfulness:** Our parish is a tapestry woven from the threads of faith. Your faithfulness—whether during challenging times or moments of celebration—strengthens the fabric of our community.

**Together, We Thrive.** As we embrace new processes and opportunities for volunteer contributions, let us remember that it is not just about tasks and responsibilities. It is about building relationships, fostering connections, and creating a space where everyone feels valued. Together, we thrive, and our parish becomes a vibrant beacon of hope for all who seek solace and purpose.

If you have any thoughts or ideas, feel free to reach out. Our parish is better because of you, and I am grateful beyond words. May God continue to bless our parish community.

With heartfelt appreciation.

### Opportunities to Serve in our Parish

Friends, below, you'll find a list of most, if not all, ministry opportunities in our large and diverse parish. Celebrating an annual Parish Service Day offers not only the chance to say "thank you" to those who *have* served and those who *continue* to serve, but to promote a *culture* of service in our parish by calling forth new servants of Jesus.

Our parish is perhaps one of the most geographically diverse parishes in the Archdiocese of Brisbane. This reality magnifies the need to be proactive in promoting unity in a way which also respects our diversity. While each of our worshipping communities have different opportunities for service, what remains constant across all of them, is the Spirit-driven invitation to imitate Jesus by joyfully laying down our lives in service of others.

In promoting a culture of service in our parish, we create a healthy sense of expectation - that if physically able, each worshipping parishioner serves in at least one ministry every year. Together, let us call forth women and men, as well as boys and girls, to listen to what the Spirit is saying. Let us call them to respond by saying "yes" to God's invitation - particularly those who *have* not or *are* not serving in any of the ministry opportunities below. This call to service is certainly not to simply get more people involved - it comes straight from the mouth of Jesus, who said that "It is in giving that we receive" (Lk 6:38), and "It is more blessed to give than to receive" (Acts 20:35).

I encourage you in humility as your Pastor, to respond to this invitation: to commit yourself to a ministry of service for the next 12 months. Due to this being the *first* annual Parish Service Day - and the fact that we have much work ahead of us to ensure that we have the systems and processes to facilitate the smooth processing of volunteers - I humbly ask that all current volunteers remain in their ministry for the following 12 months at least. This will allow us to concentrate on effectively onboarding new volunteers, making sure that they meet Archdiocesan compliance/safeguarding requirements, receive appropriate training, and (most importantly), ensure they commence their ministry as quickly as possible.

Please respond to this invitation by *either* scanning the Linktree QR code and selecting the Volunteer Enquiry Form, *or* completing a paper Volunteer Enquiry Form which your community leader will give you, and dropping it into the collection basket at Mass.

As well as thanking you for your action, but perhaps even more importantly, I would like to invite you to pray about the area of ministry to which you are most suited. God has empowered you with a unique set of skills, gifts, and talents, which are given for the purpose of building up the Body of Christ. Thank you for your openness to listening to what the Spirit is saying.

*Peace and blessings, Fr Josh*

### Due to the Maleny Show Day, the Parish Office will be closed this Friday 31st May

### Volunteer Enquiry and Situation Vacant

Managing volunteer enquiries is a lot of work, and is often juggled between our roster coordinators, priests, and parish office staff. The drawback of this arrangement is that, sometimes enquiries get lost. To assist with volunteer enquiries, we are looking for someone to assist us in the office with data entry.

We have a new online enquiry form for all volunteers in the Parish. The link is available via our

[Linktree QR code](#) below. If you don't have a computer, just call the Parish Office and we will complete the form for you. It is that simple. While the form caters for new and existing volunteers, we are encouraging new volunteers to use the form in the spirit our first annual Parish Service Day, thank you.

### Altar Server Training

Building on the success of our Lectors workshops, The Worship Team will be putting on altar server training across the parish. All ages are welcome and encouraged; we especially want you to get your kids involved. Altar serving is a great way of keeping kids actively involved and focused on the Mass. We plan for this workshop to be concise in content; with run-throughs and questions. Sessions will go for about an hour. Please RSVP via the Linktree:

At this stage, some communities do not require altar servers and this is reflected below:

**Session dates and times are:**

**2nd June - Maleny - after mass**

**9th June - Unity Chapel - 3:30pm**

**16th June - OLR - 8am**
